Message from the Chairman

It is our constant endeavor to strive for quality and excellence in education. We believe that a holistic education is the best way to mould young minds. At REVA Independent PU College (RIPU) a learner centric approach adopted by our qualified and professional faculty members immensely help learners experience the joy of learning.

Additional skills, value based education, life skills are integrated into the pedagogy. This ensures that every learner grows confident and is able to adapt to innovation and to update knowledge and skills continuously with an ability to acquire and apply knowledge. Hence, do come and join our growing community of confident young scholars.

Dr. P. Shyama Raju

Chairman, REVA Group of Institutions

REVA Independent PU College (Yelahanka)

REVA independent PU College (Yelahanka) was commenced in the year 2009 under the aegis of Rukmini Educational Charitable Trust as Educational venture of DivyaSree Developers. College is affiliated to Karnataka Pre-University Education Board and is one of the best PU College in Bengaluru.

At REVA, we provide holistic teaching to the students through classroom, practical and value added teaching. Our science department demonstrates various experiments in labs which are supplemented through classroom teaching. This provides a better understanding of the concepts and a better application of the various subjects.

Various seminars are conducted on career development which gives information about the opportunities students have after the pre-university level. In addition to the classroom practical training we prepare our students to deal with the competitive world by conducting various test and exams. The courses we offer in Science Includes PCMB, PCMC and PCME which enables students to pursue B.Tech, B.Sc, BCA, Bio- Tech in our own REVA University. Commerce course includes CEBA, SEBA and MSBA which enables students to pursue B.Com, BBA, BCA, Arts course includes HEPP which enable students to pursue B.A, B.A.LLB, BBA LLB.

Vision

Holistic development of the students with sound values and discipline under best care possible.

Mission

Equipping students with academic and life skills to enable them to navigate through life successfully.

Message from the Principal

REVA Independent PU College (RIPU), Yelahanka is one of the well-established and leading PU College in the city of Bengaluru. Here, we emphasize developing and maintaining positive relationships and focusing on getting to know each student as an individual. This personal approach ensures individual support and access to opportunities that are suited to each student's chosen fields of interest.

Our approach involves working with parents to meet the individual needs of every student and supporting them to fulfil their academic and co-curricular goals and dreams. In a world that rewards perseverance, resilience, initiative, problem solving and cooperation, our students leave well prepared for next level of education. I am proud of the significant accomplishments of our students and the results our college has achieved in being a better choice in education.

Under the able leadership of our honorable chairman sir, Dr. P Shyama Raju, we create a safe social and physical environment which helps all our students to learn and succeed.

Sridevi. R

Principal, RIPU, Yelahanka

Happy Learning !

Teaching and Learning Process

REVA Independent PU College (Yelahanka) maintains a student centric environment. The teaching learning atmosphere in this institution ensures complete enrollment in most disciplines. The admission committee involves faculty members who help and counsel students in selecting the right course. Students who are admitted are assessed before the commencement of the course and are offered bridge classes to negotiate the syllabus for the program.

E - Campus

The college adapts the Learning Management System (LMS) system to increase the frequency to report attendance data, class and examination schedule in a standard manner. The system automatically triggers the text message to the parents regarding the absence of their child for the classes.

Cultural Events

Annual college day 'VARNA' celebrated every academic year in the month of December. Inter class competitions "SPOORTHI" is conducted every academic year in the month of August to nurture the talents of young minds. Students are encouraged to participate in various inter college competitions and win prizes.

National Cadet Corps

RIPU has a unit of NCC which aims at developing discipline, character, brotherhood and ideals of selfless service amongst young citizens. It also motivates the young to choose a career in Armed Forces.

Mentoring

The college embraces the mentoring system to build stronger, close, healthy and supportive relationship between teacher and the student. Each mentor is given a set of 25 students who closely monitor the academic progress, attendance, socio psychological aspects of each student and thereby improving the mentee's academic skills.

Parent Teacher Meeting

Parent teacher meeting is conducted two to three times in a year to establish a rapport and develop a common goal that focuses on helping the child have the best college experience possible and to discuss on the progress of the student.

Seminars / Workshops

REVA Independent PU College organises Annual Science Exhibition every year in the month of December to cultivate scientific thrust among students and orientation programs on various subjects are offered to students and faculty. Recreation trip is organized at the end of every academic year.

REVA Residential (Hostels)

At REVA, every care is taken to provide the best facilities for students who stay away from their homes.
