

A Decade of  
Academic excellence

# 360° learning @ REVA

**REVA**  
Independent  
PU College

## Message from the Chairman

It is our constant endeavour to strive for quality and excellence in education. We believe that a holistic education is the best way to mould young minds. At REVA Independent PU College (RIPU) a learner centric approach adopted by our qualified and professional faculty members immensely help learners experience the joy of learning.

Additional skills, value based education, life skills are integrated into the pedagogy. This ensures that every learner grows confident and is able to adapt to innovation and to update knowledge and skills continuously with an ability to acquire and apply knowledge. Hence, do come and join our growing community of confident young scholars.

### **Dr. P. Shyama Raju**

Chairman, REVA Group of Institutions

## REVA Independent PU College (Kattigenahalli)

Reva independent PU College (Kattigenahalli) was commenced in the year 2009 under the aegis of Rukmini Educational Charitable Trust as Educational venture of DivyaSree Developers. College is affiliated to Karnataka Pre-University education Board, Bangalore.

At REVA, We provide holistic teaching to the students through classroom, practical and value added teaching. Our science departments demonstrate the various experiments in labs which are supplemented through classroom teaching. This provides a better understanding of the concepts and a better application of the various subjects. We conduct science exhibitions which are supplemented through classroom teaching.

Various seminars are conducted on career development which gives information about the opportunities students have after the pre-university level. In addition to the classroom practical training we prepare our students to deal with the competitive world by inducting various test and exams. The courses we offer in science include PCMB, PCMC and PCME which enables students to pursue B.Tech., B.Sc(CS), BCA, B.Sc. Bio-Tech in our own REVA University.

Commerce course includes CEBA, SEBA, MSBA which enable students to pursue B.Com., BBA, BCA, Arts course includes HEPP which enable students to pursue. B.A., B.A. LL.B., BBA LL.B.,

### Vision

Holistic development of the students with sound values and discipline under best care possible.

### Mission

Equipping students with academic and life skills to enable them to navigate through life successfully.

## Message from the Principal

REVA Independent PU College (RIPU), Kattigenahalli is yet another branch of a solid tree that is constantly growing. Here we focus on holistic growth of students who are molded to meet the requirements of a highly competitive corporate world and also to see that each student leaves the portals of the institution equipped with strong ethical values, and a sense of purpose and direction in life. This holistic approach of ours witnessed brilliant academic results with Centums' at the Board and various Entrance Exams.

Various extracurricular activities centre on bringing awareness — social environment, economical and intellectual- such that the student community be sensitized to the issues of the world around. Learning here is the beginning of a joyous journey.

The joy of being a part of a great team led by our Chairman Dr. P Shyama Raju keeps us motivated to reach milestones, one after another.

**Dr. Beena G**

Principal, REVA Independent PU College

# Happy Learning!

There is no better way to learn, think and live, than at REVA.  
Your Vision, Our Guidance.

## Library:

REVA Independent PU Library is well equipped with nearly 2150 books from various streams. The Central Library is located in the heart of the campus and is housed in an independent building with a carpet area of 3,316 Sq. mtrs. The air-conditioned library has a seating capacity of 800. It possesses a huge collection of books and journals in both print and e-form.

## Laboratories:

Laboratories are stimulating places for science students and since our children need to practice their hands on experiments. Physics, chemistry, biology, computer science and electronics laboratories at REVA Independent PU College cater to the need of CBSE /NCERT experiments. As many as 40 students can perform a wide range of experiments simultaneously while the lecturers and lab assistants always at hand provide constant supervision and guidance for optimum results.

## Sports:

REVA ensures a healthy lifestyle within the student community by encouraging them to participate in sports. Expert coaching is provided for various games like cricket, volleyball, basketball, tennis, badminton and many more.

## Transport:

We operate 37 buses that cover most of the city. About 967 students and 213 staff use the facility.

## Auditorium and Seminar Hall:

Apart from class room lectures students needs to upkeep themselves with a variety of skills couples with team spirit and leadership qualities. Therefore, RPU promotes varied kind of activities. REVA has adequate number of auditorium and seminar halls to facilitate such curricular and co-curricular activities.

## Food Court:

The huge Food Court with comfortable seating facility is located in the heart of the campus. The Food Court offers a variety of cuisine to cater to every one's needs from Café Coffee day, mouthwatering chaats, to North Indian, South Indian, Chinese dishes to Ice Cream to Juice and beverages.

## REVA Residential (Hostels):

At REVA, every care is taken to provide the best facilities for students who stay away from their homes. The hostel provides hygienic food and clean surroundings so that the inmates can live in a congenial atmosphere at affordable prices. Special study hours are conducted every day after college hours especially for hostel students. Hostel regulatory committee comprising our own team of faculties and monitors students round the clock.

## Teaching and Learning Process

REVA Independent PU College (Yelahanka) maintains a student centric environment. The teaching learning atmosphere in this institution ensures complete enrollment in most disciplines. The admission committee involves faculty members who help and counsel students in selecting the right course. Students who are admitted are assessed before the commencement of the course and are offered bridge classes to negotiate the syllabus for the program.

### E - Campus:

A missed class is a lost opportunity for students to learn. The college adapts the Learning Management System (LMS) system to increase the frequency to report attendance data, class and examination schedule in a standard manner. The system automatically triggers the text message to the parents regarding the absence of their child for the classes..

### Cultural Events:

Annual college day 'VARNA' celebrated every academic year in the month of December. Inter class competitions "SPOORTHI" is conducted every academic year in the month of August to nurture the talents of young minds. Students are encouraged to participate in various inter college competitions and win prizes.

## Student Counseling:

Our Mission is to promote qualitative improvements in the campus life of students. We help students to accomplish their personal, professional and academic goals through in-house counselors

## National Cadet Corps:

RIPU has a unit of NCC which aims at developing discipline, character, brotherhood and ideals of selfless service amongst young citizens. It also motivates the young to choose a career in Armed Forces.

## Mentoring:

The college embraces the mentoring system to build stronger, close, healthy and supportive relationship between teacher and the student. Each mentor is given a set of 25 students who closely monitor the academic progress, attendance, socio psychological aspects of each student and thereby improving the mentee's academic skills.

## Parent Teacher Meeting:

Parent teacher meeting is conducted two to three times in a year to identify both the challenges and gains; the child seems to be facing as a student and as a social person. It provides about fifteen minutes of uninterrupted time with the child's teacher. Teachers and parents use these moments to establish a rapport and develop a common goal that focuses on helping the child have the best college experience possible.

## Seminars / Workshops:

REVA Independent PU College organizes Annual Science Exhibition every year in the month of December to cultivate scientific thrust among students and orientation programs on various subjects are offered to students and faculty. Recreation trip is organized at the end of every academic year.

## Student Achievements
