Students will be assessed before the commencement of the course and are offered bridge course to negotiate the syllabus for the program.

### National Cadet Corps

RIPU has a unit of NCC which aims at developing discipline, character, brotherhood and ideals of selfless service amongst young citizens. It also motivates the young to choose a career in Armed Forces.

### Student Mentoring Programme Facilities

The college embraces the mentoring system to build stronger, close, healthy and supportive relationship between teacher and the student. Each mentor is given a set of 25 students who closely monitor the academic progress, attendance, social psychological aspects of each student and thereby improving the mentee's academic skills.

### Parent Teacher Meeting

Parent teacher meeting is conducted two to three times in a year to identify both the challenges and gains; the child seems to be facing as a student and as a social person. It provides about fifteen minutes of uninterrupted time with the child's teacher. Teachers and parents use these moments to establish a rapport and develop a common goal that focuses on helping the child have the best college experience possible.

### E-Campus

A missed class is a lost opportunity for students to learn. The college adapts the Learning Management System (LMS) system to increase the frequency to report attendance data, class and examination schedule in a standard manner. The system automatically triggers the text message to the parents regarding the absence of their child for the classes.

### Seminars / Workshops

The College organizes Annual Science Exhibition every year in the month of December to cultivate scientific thrust among students and orientation programs on various subjects are offered to students and faculty. A guest lecturer will be invited to discuss- "Importance of II PUC Exam Pattern And Weightage Scheme" and brief about the topics and presented category-wise marks allocation/weightage scheme and exam pattern for 2nd PU board exam.
