Focus on extracurricular activities and personality development

About REVA

REVA group of educational institutions has been a prominent provider of quality education for over 20 years. known for its commitment to academic excellence, REVA provides a dynamic learning environment that prepares students for successful careers in today's competitive world.

Manjunath M

Principal, RIPUC

Principals' Message:

At REVA, education is not limited to textbooks and syllabus, we educate young minds in such a way that students can see themselves in a better position after two years of PU at REVA. We adopted a teaching and mentoring methodology that gives equal preference to all levels of students which gives individual focus and mentoring. It brings a lot of change in students and this change is guided towards setting new goals in a student's life. Along with teaching- learning process, students' capability is identified and nurtured to set a self-milestone at every level of evaluation.

"Discipline is the first priority followed by Education" REVA Independent PU College welcomes you to achieve your dream in style at the TEMPLE OF LEARNING.

"Every student can learn, just not on the same day or in the same way."

Vision

To become a globally recognised institution that provides the best breed of students to society at large.

Mission

To imbibe moral and ethical values among students and help them to face challenges and make them socially responsible.
